FACIAL TREATMENTS

Leah's Natural Skincare

Developed in Australia, Leah's Active Range of Medical Skincare has been designed to treat inflammatory skin conditions chronically seen in this country. These cutting edge biomimetic formulas are utilised to restore healthy skin functions.

The key ingredients are Vitamin A, Vitamin B3, Vitamin C, Peptides and Lactic Acids are blended with Antiflamitories, Anti-oxidents, Anti-bacterial, Natural Moisture Factors and Collagen Stimulants.

Leah's Natural Skincare is free of sulphates, parabens, lanolin, mineral oil, artificial colours, artificial fragrance, sls and petro chemicals.

Leah's Natural Skincare range is also an affordable retail range that is sold in our stores to make your skin feel great every day.

Skinceuticals Facial Treatment

Available at Bondi and City Stores Only

Gel Peel Treatment

Designed to minimize the appearance of surface lines, smooth out rough skin texture, aid in clearing acne and help fade hyper-pigmentation. The acids in these peels remove dead cells from the surface without irritating the skin. A blend of Glycolic and Lactic acids provides superior exfoliation and improved hydration while reducing irritation and dryness. This light chemical peel revitalises mature, dry and photo damaged skins, improving the appearance of fine lines and wrinkles.

1 hour \$110, Course of 5 (6th Free) \$550

New York Facial

Ideal for all skin types. Achieves good results for sun damage, acne and scar tissue, pigmentation, enlarged pores and age spots. Using microdermabrasion crystals to polish away dead cells, assist cells turnover and improve blood flow while the SkinCeuticals vitamin and antioxidant therapy significantly improve the appearance and condition of the skin following just one treatment.

1 hour \$130, Course of 5 (6th Free) \$650

Facial Treatments \$

Mini Facials (30 mins) 45

A soothing facial including cleansing, toning, steaming, extracting impurities with up to 4 masks and a massage to relax the neck

European Deluxe Facial (60 mins) 65

Basic hydrating facial beneficial for all skin types. Mixture of essential oils and special protein extracts combat water dehydrated skin. This facial includes normal extractions (steam), exfoliation and masks to the face and neck and décolletage. Thirty minute unique massage performed with gentle wave motion, after which the skin is rejuvenated which greatly improves elasticity.

Deep Cleansing Facial (40 mins) 50

Deep pore cleansing facial that will cleanse, tone, relax and revitalise your skin. An assessment of your skin will determine what treatment is correct.

Eye Treatment (35 mins) 50

Focusing on the delicate eye area this treatment helps eliminate under eye puffiness, diminishes fatigue circles under the eyes and improves circulation. Using 100% gross factors and hydrating liquid crystals.

New Skin Rejuvenation Treatment (45 mins) 65

Designed to repair, restore and rebuild youthful skin. Individualised to suit your skin in it's present condition. Little to no downtime. Skin is instantly revived and luminous. Improves blemishes, pigmentation and hydration. Celebrity skin in 45 mins.

Leah's Corrective Facial Infusion (60 mins) 150

The first non-acid peel in the skincare industry that creates a substantial increase in fibroblast activity as well as significant stimulations in collagen production. Instead of wounding the skin, Leah's corrective facial infusion gently resurfaces the top layer of skin by feeding and thinning epidermis to encourage cell renewal, making it safer for all skin types and conditions. Customised to treat you personally for ageing, acne, rosacea, hyper pigment and sun damaged skin types.

A 2 week preparing of Leah's Instant Ageing Repair or Leah's Blemish Clear must be used prior to prepare the skin.

Eclipse Micropen Needling

The Eclipse Micropen skin needling system creates micro "injuries" in the skin which triggers new collagen. The result is smoother, firmer and younger looking skin to assist with Scarring, sun damage, pigmentation, acne, enlarged pores and premature aging skin. Skin needling procedures are performed in a safe and precise manner with the use of the sterile Micropen needle head. The procedure is normally completed within 45-60 minutes depending on the required treatment. Each treatment comes with a Disposable Micropen needle head and for each treatment we apply numbing spray and hyaluronic acid to the skin. We recommend each client to have at least 4 treatments in intervals of 4 weeks to ensure you get the best results for your skin!

Single Treatment \$220 up to 60min

SALON SPECIAL: 4 X micropen treatments \$550 (Valued at \$1150) and RECEIVE 4 FREE HIGH FREQUENCY to infuse growth factors ADD ON'S PLUS A TAKE HOME SERUM to suit your skin and treatment.
